Posers Need Not Apply

You're not defined by your job, your car or even the clothes you wear. Seriously, it's all about attitude. Because what you put out there is just as important as what's inside you.

What you'll find in this Drift Apparel catalog is a catalyst for change. If you've ever wanted to be the one who turns heads at a party or the one who dominates on the trail, this is your guidebook. We've got jackets, pants, gloves and sportswear specifically designed to help you rock the Drift look and transform you into the person you were always destined to be.

Drift Dominates the Finish Line

How do you claim victory without bragging about it? Ask PJ Wanderscheid and his crew. They've done it four times at the Eagle River Race. And this time, they rocked Drift Apparel. They might've won the race all on their own, but we're taking credit for them looking good while doing it.
